

Free WiFi at automatica

Messe München is offering all automatica participants free wireless Internet access (WiFi) at the trade-fair center. Bandwidth is up to 1.5 Mbit/sec.

Using free WiFi is easy:

- Switch on the WiFi or WLAN function on your terminal device.
- Search for wireless networks and connect to the **messeWifi** network.
- Start your Internet browser.
- Enter any Internet address.
- The portal page of the fair's free WiFi will automatically appear on screen.
- Once you have accepted the General Terms and Conditions, you may access the Internet.

You only need to register **one time** during the entire event.

Please keep in mind:

- Download volume is limited to 50 MB per user per day.
 - Availability is based on which halls, entrances and nearby Atrium areas are part of the fair.
-
