

Visa service for exhibitors

For residents of all countries where a visa is required to enter the Federal Republic of Germany, we set up our own visa service. Details are available [here](#).

Generally speaking, residents of countries in the EU **do not require** a visa to enter the Federal Republic of Germany.

For residents of several other countries, on the other hand, **a visa is required** to enter Germany.

An **up-to-date list** of all countries that do and do not require a visa is available from the German Foreign Office:
