

Trade journals on display

automatica takes place at the Messe München trade-fair center (East Entrance) from June 19–22, 2018. We invite you to present your magazines and trade journals at the fair to heighten awareness of your company and your publications among industry professionals at the fair. There are two ways to do so:

Trade Press Stand

Your trade magazines are displayed in alphabetical order at the Trade Press Stand, where visitors attending automatica can pick them up free of charge. We ensure that there are always enough copies available.

Trade press boxes

You can also display your trade magazines in trade press boxes. The boxes are placed in the passageways between the halls. This is a very effective way to reach a large number of visitors.

Order online

You can place your order online **as of February 2018**.

We would be pleased to have your publication(s) on display at automatica 2018! If you have any questions, please feel free to contact us at any time.
