

automatica radio service

Would you like to report about automatica on the radio? We have everything you need!

Once again, our radio team will be on the go for you at automatica to cover a wide range of industry topics.

From sound-bite packages to finished reports: We can provide all the audio materials that you need to produce your report!

Our audio materials in broadcast-ready quality (mp3) are available in our download area free of charge. We would appreciate it if you could inform us when our materials are used.

➤ [Original sound bites and finished reports for download](#)

Radio studio in the West Entrance

If you want to produce your own report at the fair, then visit us at Radio Studio West, directly above the Press Center West. The studio is fully equipped with all the latest digital technology, and you can edit your reports, do recordings and even broadcast live from the studio with the support of our technical team.
