

TV service for automatica

Are you planning to do a television report? We can help you produce your editorial reports or provide raw footage and text information.

Whether you are a TV network or an Internet portal: Our automatica TV Team is there for you and can provide you professionally produced reports, podcasts that are fully edited for picture and sound or as rough cuts with TC lists and moderation texts which you can download to all commercially available player versions or order on the medium of your choice.

Our TV services are produced by Mediabox TV on behalf of Messe München.
