

Diverse range of services for your visit to the fair

automatica offers you a number of convenient and useful visitor services. We recommend gathering information about the services you will need in advance.

Do you need specific business services such as the ability to print documents or access to WiFi? Do you need a bank, a dry cleaners or a pharmacy? Or perhaps you would like information regarding the accessibility of our facilities for people with disabilities?

This is one of the most modern trade-fair centers in Europe, and we offer a variety of services and service facilities to make your stay at automatica even more pleasant:
