

## automatica 2020: Well planned trade fair visit

Where do I find which exhibitors, how do I arrange appointments, which lectures do I attend—a well-prepared trade fair is the basis for meeting my personal trade fair goals.

### Exhibitor list

With the help of the exhibitor list you will find your way quickly and can plan your itinerary in advance. In good time before automatica, we will guide you to our exhibitor database, where you will find all exhibitors by sector as well as products with halls and site plans.

### Appointment

Matchmaking is the digital networking platform that enables targeted networking at automatica. So you don't get lost in the crowd of visitors for the exhibitors and make sure you talk to the right contact person on site.
